OUR SERVICES

At Family Tree Dental, our general dentistry services include a wide range of preventative and restorative options designed for patients of all ages. We pride ourselves on nurturing long-term, trust-based relationships, so we get to know you, your oral health history, and what you hope to achieve through your relationship with us so we can tailor a personalized plan for you. As one of the top providers in the area, we address dental health problems before they become painful and expensive by creating dental plans that include preventative services such as teeth cleanings, sealants for young teeth, and tooth-strengthening fluoride treatments.

FAQs

WHAT IS THE DENTAL SAVINGS PLAN?

Family Tree's Dental Savings Plan is a discount membership that saves you money on dental services and makes dental care affordable. It offers the benefits of dental insurance without the hassles.

WHAT ARE THE BENEFITS OF THE SAVINGS PLAN?

The Dental Savings Plan offers large savings on dental care without insurance. Get the dental care you need without deductibles, claim forms or waiting periods. There are no benefit maximums and no pre-existing condition expenses – just great care and real savings for you and your family!
